DE Sicherheitshinweise

- Wichtige Information
- Sorgfältig und aufmerksam lesen
- Diese Information aufbewahren

WICHTIG. Der Aufbau des Möbels muss zwingend nach Aufbauanleitung und durch eine fachkundige Person erfolgen. Sämtliche Elektro- und Sanitärinstallationen sind ausschließlich von autorisiertem Fachpersonal durchzuführen.

Um zu verhindern, dass ein Möbel umkippt, muss es fest an der Wand verankert werden. Eine fehlerhafte Montage bzw. fehlende Wandbefestigung kann zu Funktionsbeeinträchtigungen, Beschädigungen und/ oder schweren Verletzungen führen.

Wegen der großen Vielfalt an Wänden und Wandmaterialien haben wir kein Befestigungsmaterial beigelegt. Bitte erkundigen Sie sich im Fachhandel nach geeignetem Befestigungsmaterial entsprechend Ihren baulichen Gegebenheiten. Sie sind für die Befestigung am Mauerwerk und den dort eingesetzten Materialien selbst verantwortlich.

Halten Sie die in der Montageanleitung angegebenen maximalen Gewichtsangaben ein. Beschlagbeutel, Beschlagteile und Verpackungsmaterial sind von Säuglingen und Kindern fernzuhalten, da verschluckbare Kleinteile enthalten sind und Erstickungsgefahr droht.

Werden Bedienungs-, Betriebs- oder Montageanweisungen nicht befolgt, Bauteile ausgewechselt, Änderungen an den Produkten vorgenommen oder Verbrauchsmaterialien verwendet, die nicht den Originalteilen entsprechen, so entfallen jegliche Haftungsansprüche und Gewährleistung. GERMANIA haftet nicht für Personen- oder Sachschäden, die auf eine unsachgemäße Montage bzw. nicht erfolgte Wandbefestigung zurückzuführen sind. Bei Überlastungen, die durch Menschen, spielende Kinder oder sonstige Einwirkungen entstehen, übernehmen wir als Hersteller keine Haftung.

GB Safety information

- Important information
- Please read closely and carefully

IMPORTANT. It is imperative that the furniture be installed according to instructions by someone properly qualified to complete the task. Installation of electrical or plumbing fixtures should only be performed by trained professionals.

The furniture must be anchored to the wall to prevent it from tipping over. Improper installation or failure to use wall fasteners can prevent the item from functioning properly and may cause damage and/or severe injury.

Wall fasteners are not included because of the large variety of walls and wall materials. Please ask a specialized dealer for wall fasteners appropriate to your specific needs. You are responsible for anchoring the items to the wall and for the materials used for that purpose.

Please observe the maximum load capacity as specified in the assembly instructions. Keep the bag containing the fittings, the fittings themselves and other packaging material out of reach of babies and children. The small parts can be swallowed and therefore pose a choking hazard.

Failure to follow handling, operation or assembly instructions, exchanging components, making changes to the product or using materials which differ from the original parts will result in voiding all liability claims and warranties. GERMANIA accepts no liability for personal or material damage due to improper installation or failure to properly anchor the item to the wall. We assume no liability as manufacturer for excessive loads placed on a unit by individuals, playing children or other causes.

IMPORTANT. Le montage du meuble doit impérativement être réalisé selon les instructions de montage par une personne compétente. Toutes les installations électriques et sanitaires doivent exclusivement être réalisées par du personnel spécialisé autorisé.

Afin d'éviter qu'un meuble ne bascule, il est nécessaire de le fixer solidement au mur. Un mauvais montage ou un meuble mal fixé au mur peut entraîner des défauts de fonctionnement, des dommages et/ou des blessures graves.

Étant donné la grande variété de murs et de matériaux muraux, nous ne fournissons pas le matériel de fixation. Veuillez vous informer dans un magasin spécialisé du matériel de fixation à utiliser en fonction des conditions de la construction. Vous êtes responsables de la fixation murale et du matériel utilisé pour cela.

Conformez-vous aux limites de poids indiquées dans les instructions de montage. Les sacs de pièces de montage, les ferrures et les matériaux d'emballage doivent être tenu éloignés des bébés et des enfants car ils contiennent des petites pièces pouvant être avalées et il y a risque d'étouffement.

Si les instructions d'utilisation, de fonctionnement et de montage ne sont pas suivies, que des pièces sont échangées, que des modifications sont effectuées sur les produits ou que l'on utilise du matériel d'occasion qui ne correspond pas aux pièces d'origine, tous les droits en matière de responsabilité et de garantie sont supprimés. GERMANIA n'est pas responsable des dégâts matériels et corporels résultants d'un montage incorrect ou de fixations murales défectueuses. En cas de surcharges causées par des personnes, des enfants qui jouent ou d'autres causes, nous n'assumons aucune responsabilité en tant que fabricant.

ES Advertencias de seguridad

- Leer detenidamente y con atención

IMPORTANTE. El montaje del mueble debe llevarlo a cabo un experto siguiendo las instrucciones. Solo personal cualificado y autorizado puede realizar las instalaciones eléctricas y sanitarias.

Para evitar que se vuelque un mueble, este se debe fijar firmemente a la pared. Un montaje defectuoso o no fijar el mueble a la pared pueden provocar problemas de funcionamiento, daños y/o lesiones graves.

Debido a la gran variedad de paredes y materiales de pared, no hemos incluido el material de fijación. Infórmese en una tienda especializada sobre el material de fijación adecuado para el tipo de construcción de su pared. Usted es responsable de la fijación a la pared y de los materiales empleados para ello.

Observe los límites de peso máximo indicados en las instrucciones de montaje. Mantenga las bolsas de herrajes, los herrajes y el material de embalaje alejados de bebés y niños, ya que contienen piezas pequeñas que pueden ser ingeridas y provocar asfixia.

En caso de no seguir las instrucciones de uso, funcionamiento o montaje; de reemplazar piezas, de modificar los productos o de emplear consumibles que no se correspondan con las piezas originales, quedarán extinguidos todos los derechos de garantía y de responsabilidad. GERMANIA no se responsabiliza de daños personales ni materiales causados por un montaje inadecuado o por no fijar el mueble a la pared. No asumimos ninguna responsabilidad como fabricante en caso de sobrecargas causadas por personas, niños jugando u otras influencias.

IT Indicazioni relative alla sicurezza

- Avvertenze importanti
- Leggere attentamente
- Conservare le presenti indicazioni

IMPORTANTE. Il montaggio del mobile deve essere eseguito obbligatoriamente da una persona competente e in base alle istruzioni di montaggio. Tutti gli impianti elettrici e idraulici vanno realizzati esclusivamente da personale qualificato autorizzato.

Per evitare che si rovesci, il mobile va ancorato alla parete. Il montaggio errato o il mancato fissaggio alla parete possono provocare malfunzionamenti, danni e/o gravi lesioni.

Data l'esistenza di numerosi tipi di pareti e di materiali con cui queste sono realizzate, non è stato fornito in dotazione alcun materiale di fissaggio. Si prega di rivolgersi a rivenditori specializzati per procurare il materiale di fissaggio adatto, che corrisponda alle condizioni specifiche dell'ambiente e particolarità costruttive. L'utilizzatore è direttamente responsabile del fissaggio alla parete e dei materiali allo scopo utilizzati.

Attenersi alle indicazioni sui carichi massimi contenute nelle istruzioni di montaggio. Le bustine degli elementi di fissaggio e il rispettivo contenuto vanno tenuti fuori dalla portata di bambini e neonati, poiché includono parti facilmente ingeribili e comportano rischio di soffocamento.

La mancata osservanza delle istruzioni per l'uso, il funzionamento o il montaggio, la sostituzione di componenti, eventuali modifiche apportate al prodotto o l'utilizzo di materiali di consumo non corrispondenti agli originali comportano la cessazione di qualsiasi garanzia e responsabilità. GERMANIA non risponde di lesioni a cose o persone dovute a errata installazione o a mancato fissaggio alla parete. L'azienda produttrice non risponde di danni derivanti da eventuali sovraccarichi causati da persone, bambini che giocano o altri fattori.

IMPORTANTE. O móvel tem de ser obrigatoriamente montado segundo as instruções de montagem e por um técnico especializado. Todas as instalações elétricas e sanitárias deverão ser efetuadas exclusivamente por pessoal técnico autorizado.

Para prevenir a queda do móvel, este deve ser ancorado de forma fixa à parede. Uma montagem incorreta ou a não fixação à parede pode prejudicar a funcionalidade, provocar danos e/ou ferimentos graves.

Devido à grande variedade de paredes e respetivos materiais, o material de fixação não é fornecido juntamente com o móvel. Informe-se numa loja especializada sobre o material de fixação adequado, que esteja em conformidade com as condições estruturais específicas. A fixação à parede e os respetivos materiais aplicados são da sua responsabilidade.

Respeite as indicações de peso máximo referidas no manual de montagem. Os sacos de acessórios, as ferragens e o material de embalagem devem ser mantidos fora do alcance de bebés e crianças, visto conterem peças pequenas que podem ser ingeridas e provocar asfixia.

Não assumimos qualquer responsabilidade em caso de incumprimento das instruções de utilização, de operação ou de montagem, em caso de substituição de componentes, alterações nos produtos ou utilização de materiais de consumo que não correspondam às peças originais. Neste caso, será também anulado o direito à garantia. A GERMANIA não se responsabiliza por danos físicos ou materiais causados por uma montagem incorreta ou por falha na fixação à parede. Enquanto fabricante, não assumimos a responsabilidade por sobrecargas causadas por pessoas, crianças a brincar ou outras influências.

NL Veiligheidsaanwijzingen

- Belangrijke informatie
- Grondig en zorgvuldig lezen
- Deze informatie goed bewaren

BELANGRIJK. Het meubel moet door een vakman worden opgebouwd aan de hand van de montagehandleiding. Alle elektrische en sanitaire installaties mogen uitsluitend door bevoegd personeel worden uitgevoerd.

Om te voorkomen dat een meubel omvalt, moet het stevig aan de muur worden verankerd. Een foutieve installatie of ontbrekende muurmontage kan leiden tot functionele beperkingen, schade en/of ernstig letsel.

Vanwege de grote verscheidenheid aan muren en wandmaterialen werd geen montagemateriaal meegeleverd. Neem contact op met uw vakhandel voor de juiste bevestigingsmaterialen in overeenstemming met de bouwomstandigheden. U bent zelf verantwoordelijk voor de muurbevestiging en voor de materialen die hiervoor worden gebruikt.

Houd u aan het maximumgewicht zoals aangegeven in de montagehandleiding. Zakjes met bevestigingmateriaal, montageonderdelen, hang- en sluitwerk en verpakkingsmateriaal moeten uit de buurt van baby‘s en kinderen worden gehouden. De kleine onderdelen kunnen gevaar voor verstikking vormen.

Als de bedienings, gebruiks- of montageaanwijzingen niet worden opgevolgd, onderdelen worden vervangen, producten worden gewijzigd of verbruiksartikelen worden gebruikt, die niet overeenkomen met de originele onderdelen, vervalt elke vorm van aansprakelijkheid en garantie. GERMANIA is niet aansprakelijk voor persoonlijk letsel of schade aan eigendommen als gevolg van onjuiste installatie of het niet monteren aan de muur. Bij overbelasting veroorzaakt door personen, spelende kinderen of door andere middelen, aanvaarden wij als fabrikant geen enkele aansprakelijkheid.

DK Sikkerhedsinformationer

- Vigtige informationer
- Læs vejledningen omhyggeligt igennem
- Opbevar disse informationer til senere brug

VIGTIGT. Samlingen af møblet skal ske ved at følge monteringsvejledningen og må kun foretages af en fagkyndig person. Al arbejde på elektriske og sanitære installationer må kun udføres af autoriserede fagfolk.

For at forhindre, at møblet vælter, skal det fastgøres til væggen. En forkert montering eller utilstrækkelig fastgørelse til væggen kan medføre funktionsfejl, beskadigelser og/eller alvorlige skader.

Da der findes mange forskellige vægtyper og -materialer, har vi valgt ikke at vedlægge befæstelsesmateriale. Du bedes henvende dig hos en fagforhandler for at få oplyst, hvilket befæstelsesmateriale der egner sig til netop din væg. Du er selv ansvarlig for fastgørelsen til væggen og for de materialer, der anvendes til formålet.

Husk at overholde de maksimale vægtangivelser, der fremgår af monteringsvejledningen. For at undgå faren for kvælning, som opstår ved at sluge de medfølgende små dele, skal poserne til beslagene, selve beslagdelene samt emballagen opbevares utilgængeligt for spædbørn og andre børn.

Hvis bruger-, drifts- eller monteringsvejledningerne ikke overholdes eller hvis der udskiftes komponenter, foretages ændringer ved produkterne eller anvendes forbrugsstoffer, der ikke svarer til de originale dele, bortfalder ethvert krav om erstatningsansvar samt enhver garantiforpligtelse. GERMANIA hæfter ikke for skader på personer eller ting, som skyldes en ukorrekt montering eller manglende fastgørelse til væggen. Vi som producent påtager os ikke ansvaret for overbelastninger, der forårsages af mennesker, legende børn eller skyldes andre påvirkninger.

VIKTIGT. Möbeln måste monteras enligt monteringsanvisningen och av en yrkeskunnig person. Samtliga el- och sanitetsinstallationer får endast genomföras av auktoriserad fackpersonal.

För att förhindra att en möbel ramlar måste den förankras stadigt i väggen. Felaktigt montage eller felaktigt fäste i väggen kan medföra funktionsbrister, sakskador och/eller svåra kroppsskador.

På grund av den stora mängden olika väggar och väggmaterial så medföljer inget fästmaterial. Var god fråga i fackhandeln efter lämpligt fästmaterial för era byggnadsförhållanden. Ni ansvarar själva för fastsättning i vägg och för de material som används för detta.

Håll er till den maximala vikt som anges i monteringsanvisningen. Beslagspåse, beslag och förpackningsmaterial ska hållas borta från spädbarn och barn, eftersom sväljbara delar ingår och kvävningsrisk föreligger.

Om skötsel-, drift- eller monteringsanvisningarna inte följs, om delar byts ut, produkten ändras eller förbrukningsmaterial som inte motsvarar originaldelarna används, så bortfaller allt ansvar och all garanti. GERMANIA har inget ansvar för person- eller sakskador orsakade av icke fackmässigt montage eller avsaknad av väggfäste. För överbelastning orsakad av människor, lekande barn eller annan påverkan har vi som tillverkare inget ansvar.

FI Turvallisuusohjeet

- Tärkeää tietoa
- Tutustu huolellisesti näihin ohjeisiin
- Säilytä nämä ohjeet huolellisesti

TÄRKEÄÄ. Huonekalun saa koota vain ammattitaitoinen henkilö, ja kokoamisessa on noudatettava kokoamisohjeita. Kaikki sähkö- ja saniteettilaitteiden asennukset saa suorittaa vain valtuutettu alan ammattilainen.

Jotta huonekalu ei pääse kaatumaan, täytyy se kiinnittää hyvin seinään. Vääränlainen asennus tai puuttuva seinäkiinnitys voi aiheuttaa toimintahäiriöitä, vaurioita ja/tai vaikeita loukkaantumisia.

Koska seinät ja seinämateriaalit poikkeavat huomattavasti toisistaan, emme toimita kiinnitystarvikkeita tuotteen mukana. Alan erikoisliikkeistä saat tietoa juuri sinun tarpeisiin sopivista kiinnitystarvikkeista. Asiakas on vastuussa seinäkiinnityksestä ja kiinnityksessä käytettävästä materiaalista.

Huomioi asennusohjeessa annetut painotiedot, ja pidä niistä tarkasti kiinni. Tuotteen osia, niiden pusseja sekä pakkausmateriaalia ei saa antaa vauvoille tai lapsille, koska ne sisältävät helposti nieltäviä pieniä osia, jotka voivat aiheuttaa tukehtumisvaaran.

Jos hoito-, käyttö- tai asennusohjeita ei noudateta tai jos rakennusosia vaihdetaan, tuotteeseen tehdään muutoksia tai tuotteessa käytetään materiaalia, joka ei vastaa alkuperäisen tuotteen varaosia, kaikki takuut ja vastuu
raukeavat. GERMANIA ei vastaa henkilö- tai esinevahingoista, jotka johtuvat asiattomasta asennuksesta tai siitä, että tuotetta ei kiinnitetty seinään. Valmistajan vastuu raukeaa myös, jos esim. henkilöt, leikkivät lapset tai jokin muu syy ovat kuormittaneet tuotetta liikaa.

WAŻNE. Montażu mebla powinien bezwzględnie dokonać specjalista na podstawie instrukcji montażu. Wszystkie instalacje elektryczne i sanitarne powinien wykonać wyłącznie autoryzowany personel specjalistyczny.

Aby zapobiec przewróceniu się mebla, należy go przymocować do ściany. Nieprawidłowy montaż lub brak mocowania do ściany może skutkować nieprawidłowym działaniem, uszkodzeniami i/lub ciężkimi obrażeniami.

Z powodu dużej różnorodności ścian i materiałów ściennych do produktu nie dołączono materiałów mocujących. DŮLEŽITÉ. Montáž nábytku musí být provedena podle montážního návodu, a to kvalifikovanou osobou. Veškeré elektrické a sanitární instalace smí provádět pouze autorizovaný, odborně způsobilý personál.

Aby se zamezilo převrácení nábytku, musí být pevně ukotven ke stěně. Chybná montáž, příp. neprovedené upevnění ke stěně může vést k funkčnímu znehodnocení, poškození a/nebo k těžkým poraněním.

Vzhledem k velké rozmanitosti zdí a materiálů stěn jsme nepřiložili žádné montážní prvky pro upevnění. Informujte se prosím u odborného prodejce o vhodném materiálu na upevnění podle Vašich stavebních podmínek. Za upevnění na zeď a za použité materiály nesete odpovědnost Vy sami.

Dodržujte maximální údaje o hmotnosti uvedené v montážním návodu. Sáček s kováním, díly kování a obalový materiál musí být uschovány mimo dosah kojenců a dětí, protože obsahují drobné díly a při spolknutí hrozí nebezpečí udušení.

Nebude-li respektován návod na obsluhu, provoz či montáž nebo budou-li vyměněny stavební díly, či provedeny změny na produktech nebo spotřebních materiálech, které neodpovídají originálním dílům, potom odpadají jakékoli nároky na záruku či odpovědnost za vady. Aby sa zabránilo prevráteniu nábytku, musí byť tento pevne ukotvený na stene. Nesprávna montáž príp. chýbajúce upevnenie na stene môže viesť k poruchám funkčnosti, poškodeniu a/alebo k ťažkým zraneniam.

Kvôli veľkej rozmanitosti druhov stien a materiálov sme nepriložili upevňovací materiál. Ohľadom vhodného upevňovacieho materiálu podľa Vašej stavebnej situácie sa informujte prosím v špecializovaných obchodoch. Vy sám ste zodpovedný za upevnenie na stene a za použité materiály.

Dodržiavajte hodnoty maximálnej hmotnosti uvedené v návode na montáž. Vrecko s kovaním, časti kovania a baliaci materiál uschovávajte mimo dosahu dojčiat a detí, pretože obsahujú malé diely, ktoré sa dajú prehltnúť a hrozí nebezpečenstvo udusenia.

Ak nedodržíte návod na obsluhu, prevádzku a montáž, ak vymeníte stavebné diely, vykonáte zmeny na produktoch alebo použijete spotrebné materiály, ktoré nezodpovedajú originálnym dielom, zanikajú akékoľvek nároky na poskytnutie záruky. Spoločnosť GERMANIA neručí za zranenia osôb a vecné škody, ktoré vzniknú následkom nesprávnej montáže príp. chýbajúceho upevnenia na stene. Za preťaženia, ktoré spôsobia ľudia, hrajúce sa deti alebo iné vplyvy, nepreberáme ako výrobca žiadnu zodpovednosť.

FONTOS. A bútor összeszerelést az összeszerelési útmutatónak megfelelően, szakemberrel kell végeztetni. Az elektromos-, és épületgépészeti telepítési munkákat kizárólag erre jogosult szakemberrel kell végeztetni.

A bútor felborulásának megakadályozása érdekében a bútort rögzíteni kell a falhoz. A hibás összeszerelés, ill. a fali rögzítés hiánya a bútor funkciójának korlátozottságát, károsodását, és/vagy súlyos sérüléseket is eredményezhet.

A falak és falanyagok sokfélesége miatt a csomag nem tartalmaz rögzítőanyagokat. Az épület adottságainak megfelelő rögzítőanyagokról kérjük tájékozódjon a szaküzletekben. A falszerkezethez való rögzítésért és az ehhez használt anyagokért Önnek kell vállalnia a felelősséget.

Tartsa be a szerelési útmutatóban megadott megengedett legnagyobb súlyra vonatkozó adatokat. A vasalatok tasakjait, a vasalat-alkatrészeket és a csomagolóanyagokat csecsemőktől és gyermekektől elzárva tartsa, mivel ezek apró alkatrészeket tartalmaznak melyek fulladásveszélyt okozhatnak.

A használati-, üzemeltetési-, vagy szerelési útmutatások be nem tartása, az alkatrészek cseréje, a termékek módosítása, vagy olyan kopóalkatrészek használata, melyek nem felelnek meg az eredeti alkatrészeknek, a szavatosságot és garanciális igényt érvényteleníti. A GERMANIA nem vállal felelősséget az olyan személyi sérülésekért és anyagi károkért, melyek a szakszerűtlen összeszerelésre, ill. a falhoz való rögzítés hiányára vezethetők vissza. Gyártóként nem vállalunk felelősséget a személyekkel, játszó gyermekekkel kapcsolatos vagy más hatások által okozott túlterhelésekből adódó károkért.

- Păstraţi aceste informații

IMPORTANT. Asamblarea obiectului de mobilier se va face în mod obligatoriu conform instrucțiunilor de asamblare și de către o persoană competentă. Lucrările la toate instalațiile electrice și sanitare vor fi executate exclusiv de către personalul de specialitate autorizat în acest sens.

Pentru a evita răsturnarea obiectului de mobilier, acesta se va fixa bine de perete. Un montaj defectuos, respectiv nefixarea de perete, poate afecta funcționalitatea obiectului de mobilier, poate produce deteriorări și/sau poate conduce la leziuni grave.

Având în vedere varietatea de pereți și materiale de confecționare a pereților, nu am inclus material de fixare. În ceea ce privește alegerea materialului de fixare corespunzător situației constructive de la dumneavoastră, vă rugăm să solicitați asistență de la magazinele specializate. Dumneavoastră purtați răspunderea pentru fixarea de zidărie și în ceea ce privește materialele utilizate în acest sens.

Respectați indicațiile privind greutatea maximă din instrucțiunile de montaj. Nu lăsați punga cu feronerie, elementele de feronerie și ambalajele la îndemâna sugarilor și copiilor mici, deoarece acestea conțin piese mici care pot fi înghițite, existând riscul de asfixiere.

Nerespectarea instrucțiunilor de folosire, de funcționare sau de montaj precum și înlocuirea elementelor constructive, modificarea produselor sau utilizarea unor consumabile care nu corespund pieselor originale, atrage după sine exonerarea noastră de răspundere și pierderea garanției. Societatea GERMANIA nu răspunde de daune personale sau materiale produse ca urmare a montajului inadecvat, respectiv ca urmare a nefixării de perete. În calitate de producători, nu ne asumăm nici o răspundere în cazul unor supraîncărcări cauzate de persoane, copii în joacă sau alte acțiuni.

ВАЖНО. Монтажа на тази мебел трябва да се извърши задължително според инструкциите за монтаж и от специалист. Всички електрически и ВиК инсталации да се изпълняват само от оторизиран квалифициран персонал.

За да се избегне преобръщането им, мебелите трябва да се закрепят за стената. Един грешен монтаж или грешно закрепване за стената може да доведе до нарушена функция, повреда и/или до тежки наранявания.

Поради голямото разнообразие на стени и материали за изграждане на стени не сме приложили крепежни елементи. Информирайте се в специализираните магазини, кои крепежни елементи съответстват на Вашите конструктивни особености. Вие сами носите отговорността за закрепването към стените и използваните материали.

Спазвайте посоченото в Ръководството за монтаж максимално тегло.
Чантата с инструменти, крепежните елементи и опаковъчните материали да се съхраняват на места, недостъпни за бебета и малки деца, тъй като съдържат дребни части, които могат да се глътнат, и съществува опасност от задушаване.

В случай че не се спазват инструкциите за обслужване, работа и монтаж, или се заменят детайли, променят се продуктите, или се използват консумативи, които не съответстват на оригиналните части, тогава отпада всякаква отговорност и гаранция. GERMANIA не носи отговорност за материални и нематериални щети, причинени от непрофесионален монтаж или неизпълнено закрепване за стена. VAŽNO: Neophodno je da se montaža nameštaja izvrši u skladu sa uputstvom za montažu nameštaja od strane stručnog osoblja. Sve električne i sanitarne instalacije se moraju izvršiti isključivo od strane stručnog osoblja.

Kako bi se sprečilo da nameštaj padne, neophodno je da se pričvrsti. U slučaju pogrešne montaže odnosno pogrešnog izvršenog pričvršćenja za zid može doći do smanjenja funkcije, oštećenja i/ili teških povreda.

Zbog različitih vrsta zidova i zidnih materijala nismo priložili nikakav materijal za pričvršćivanje. Molimo Vas da raspitate u Vašoj prodavnici koji je materijal za pričvrščivanje podesan kako biste izvršili pričvršćenje. Odgovorni ste za pričvršćenje za zid a takođe i za materijale koje ćete u tu svrhu koristiti.

Pridržavajte se uputstva za montažu i tamo navedenih podataka o maksimalnoj težini. Neophodno je da držite kesicu sa materijalom za pričvršćivanje i delove za pričvršćivanje van domašaja odojčadi i djece jer se sitni delovi mogu progutati pri čemu postoji opasnost od gušenja.

Ukoliko se ne slede uputstva o rukovanju, radu i montaži, ukoliko se zamene konstrukcijski djelovi, izvrše promene na proizvodu ili koriste materijali koji ne odgovaraju originalnim djelovima, u tom slučaju prestaje da važi garancija. Proizvođač ne preuzima odgovornost u slučaju opterećenja izazvanih od strane ljudi, djece ili usled delovanja različitih uticaja.

- Сочувајте го ова упатство

ВАЖНО. Монтажата на мебелот мора задолжително да се одвива според упатството за монтажа и од страна на стручно лице. Сите електрични и водоводни инсталации се спроведуваат од страна на овластени стручни лица.

За да се спречи паѓање на мебелот, тој мора да се зацврсти на ѕидот. Погрешна монтажа, односно погрешно прицврстување на ѕидот може да предизвика пречки во функцијата, оштетувања и/или тешки повреди.

Поради различните видови на ѕидови и материјали за ѕидови не приложивме монтажен материјал. Ве молиме, информирајте се во специјализирана продавница за соодветен монтажен материјал согласно Вашите структурни услови. За монтажа на ѕидовите и таму поставените материјали сами сте одговорни.

Придржувајте се до податоците за максимална тежина наведени во упатството за монтажа. Ситномонтажен материјал, делови за монтажа и пакувања се чуваат надвор од дофат на бебиња и деца, бидејќи содржат мали делови кои постои опасност да ги голтнат.

Доколку упатствата за користење, работа или монтажа не се следат, деловите се сменат, се направат промени на производите или се користи потрошен материјал кој не одговара на оригиналните делови, во тој случај отпаѓа секое барање за обештетување и гаранција. Германија не одговара за оштети на лица и предмети кои произлегуваат од несоодветна монтажа, односно инсталација. При преоптоварување настанато од страна на лица, деца кои играат или други дејствија, ние како производители не преземаме никаква одговорност.

ВАЖНО. Сборку мебели должен выполнять опытный специалист, руководствуясь инструкцией по сборке. Сантехнические и электромонтажные работы должны быть поручены только квалифицированному персоналу.

Во избежание опрокидывания мебели надежно закрепите ее анкерами к стене. Недостаточно надежное крепление или неправильный монтаж могут стать причиной нарушения ее функционирования, материального ущерба и/или тяжелых травм.

Из-за большого разнообразия стеновых материалов и настенных покрытий мы не поставляем в комплекте с мебелью крепежные элементы. Вы можете приобрести их в специализированном магазине с учетом строительных параметров конкретного помещения. За крепление мебели к стене и используемые для этого материалы отвечает покупатель.

Учитывайте указанные в инструкции по монтажу максимальные значения веса мебели. Не подпускайте маленьких детей к пакетам с комплектующими, фурнитуре и упаковочным материалам, нечаянно проглоченные мелкие частицы могут вызвать удушье.

Несоблюдение инструкций по сборке и эксплуатации, замена конструктивных элементов и комплектующих, использование неоригинальных материалов ведут к утрате гарантии. GERMANIA не несет ответственности за вред здоровью и материальный ущерб, возникший в результате ненадлежащего монтажа или крепления мебели к стене. Производитель также не принимает претензии по поводу ущерба, возникшего из-за чрезмерной нагрузки на мебель от веса человеческого тела, играющих детей и прочих факторов.

ERSATZTEIL-SERVICE

Liebe Kundin, lieber Kunde,
wir sind jederzeit bemüht, Ihnen unsere Produkte perfekt zu liefern. Sollte dies einmal nicht der Fall sein, zögern Sie nicht, sich an unseren Kundenservice zu wenden. Sollten Möbel- bzw. Beschlagteile fehlen, etwas beschädigt sein oder zusätzlich benötigt werden, senden Sie uns das Produkt bitte nicht zurück, sondern fordern Sie das Ersatzteil direkt bei Germania an. **Bitte versuchen Sie NICHT den möglichen Mangel selbst zu beheben.** Sobald Sie das Möbel unsachgemäß verändert haben (z.B. durch zusätzliche Bohrungen oder Sägearbeiten), erlischt die Gewährleistung und wir können Ihnen keine weitere Unterstützung anbieten.

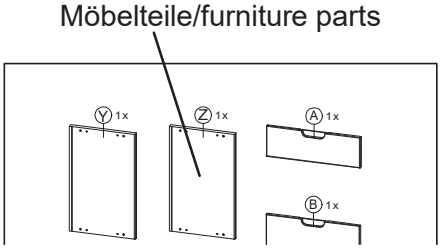
So fordern Sie Ihr Ersatzteil an:

1. Besuchen Sie unsere Ersatzteilservice-Seite im Internet unter:
   http://mygermania.com/de/ersatzteile/

   oder scannen Sie den QR-Code mit Ihrem Smartphone ein.

2. Geben Sie im Formular die **Modell-Nr.** (Beispiel 1234), und die **Dekor-Nr.** an. (Bsp.: 84) Beide finden Sie auf dem Möbelkarton.

3. Dann geben Sie bitte die Teilebezeichnung, den Grund der Reklamation und den Händler, bei dem Sie das Möbel erworben haben, an.



4. Bitte geben Sie Ihre Kontaktdaten ein und klicken Sie auf SENDEN.

5. Gerne beraten wir Sie auch telefonisch oder per E-Mail.

SPARE-PART-SERVICE

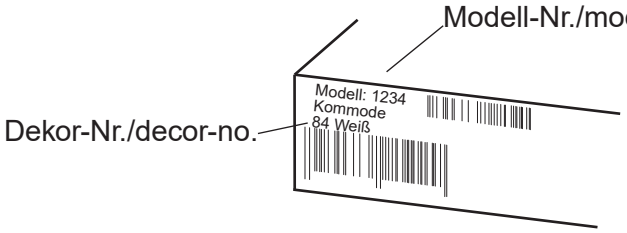
Dear customer,
We are always endeavored to deliver you our products perfectly. If this is not the case, do not hesitate to contact our Customer Service. If furniture or fitting parts are missing, something is broken or you need an additional part, please do not return the product, but request the spare part directly from Germania.
Please do NOT try to fix the eventual defect by yourself. As soon as you have modified the furniture improperly (e.g. by additional drilling or sawing), the warranty will expire and we will not be able to offer you any further support.

To request your spare part:

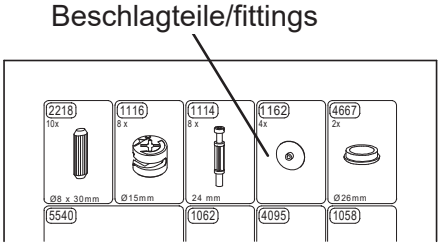
1. Visit our spare parts service page at
   http://mygermania.com/en/spare-parts/

   or scan the QR-code with your smartphone.

2. Enter the **model-no** (Example: 1234) and the **decor-no** into the form. (Example: 84). Both can be found on the furniture box.



3. Then please enter the part description, the reason for your complaint and your retailers name.



4. Please enter your contact information and click on SEND.

5. If you have any further questions please don't hesitate to contact us.
