

The image shows the retail packaging for the Soehnle Page Comfort Slim digital kitchen scale. The box is white with red and black text. At the top left is the Soehnle logo. To the right, it says 'Quality since 1868'. Below that is a message in multiple languages: 'Soehnle hopes you will have fun with your new kitchen scale. Thank you for your decision to purchase the original.' The main title 'DIGITALE KÜCHENWAAGE' is at the top center. Below it, 'SLIM' is written in large, bold letters. The model '300' is also visible. The box features several green callout boxes with product details in German and English. On the right side, there's a QR code, a barcode, and some regulatory symbols like FSC, CE, and RoHS. At the bottom right, it says 'Farbe: Silber' (Color: Silver) and 'Max 10 kg (22 lb)'. The left side of the box has a large image of the scale itself.

Digital Kitchen Scale

The logo consists of a white square divided into four quadrants. The top-left quadrant contains the text "150 years" in red. The other three quadrants are empty. Below this is a horizontal bar with a red stripe in the center. At the bottom is a red rectangle containing the word "SOEHNLE" in white.

A large, thin, rectangular digital kitchen scale with a silver finish. It features a digital display showing "10000 g". Above the display, the brand name "SOEHNLE" is printed. On the left side, there is a circular symbol with a downward arrow. On the right side, there is a power button symbol. The scale is shown at an angle, highlighting its slim design.
