(GB): MAINTENANCE INSTRUCTIONS:

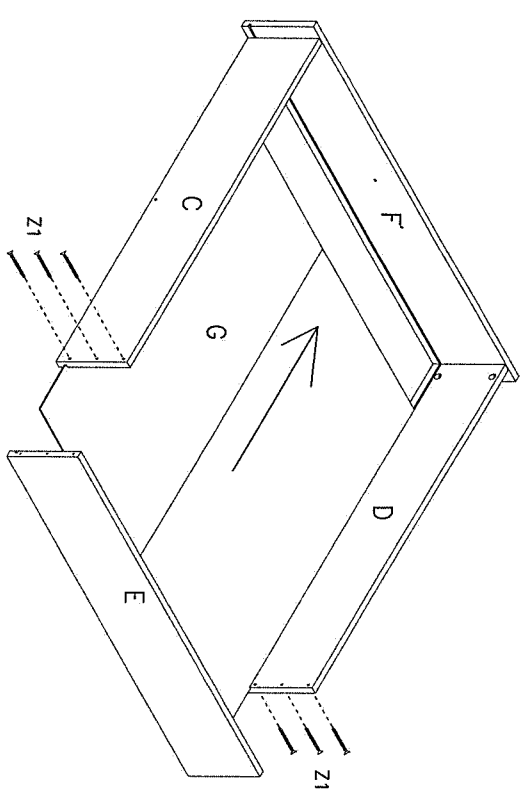

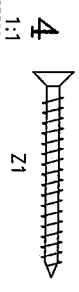

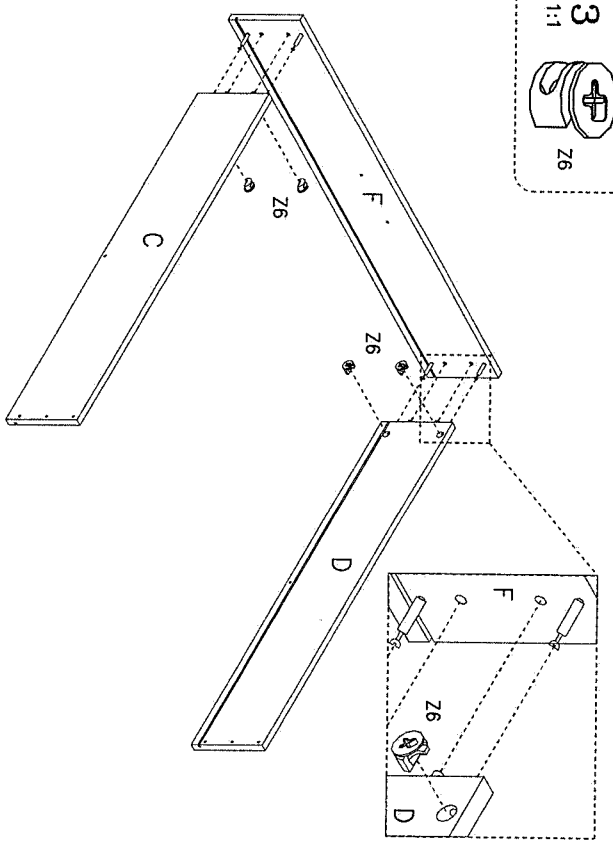

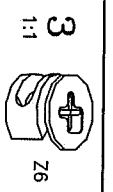

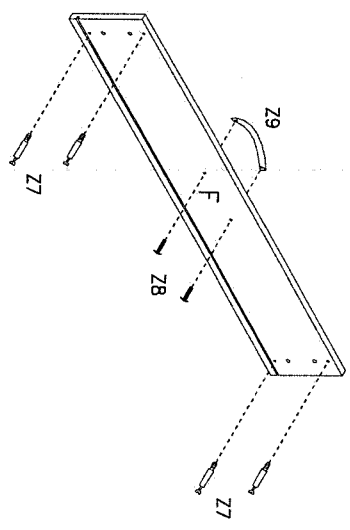

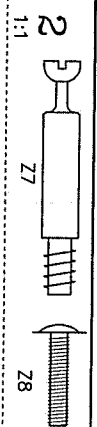

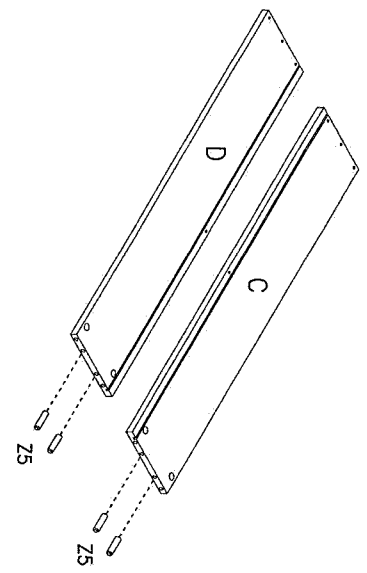

Screws and bolts should from time to time be retightened.
CLEANING:
 Wipe with a clean cloth and a mild soap. Oil: Oiled surfaces should be cleaned with soapy water, e.g. brown soap. To maintain the natural life in the furniture which is provided by the oil treatment, we recommend an oil aftercare of the furniture 1-2 times a year. The colourless natural oil for maintenance of oil-treated furniture is available at your local furniture store.

(D): PFLEGEHINWEIS:

Schrauben und Bolzen sollen regelmäßig nachgezogen werden.
REINIGUNG:
 Lackierte Möbel: Lackierte Holzoberflächen können mit einem sauberen Lappen und mildes Seifenwasser gereinigt werden. Öl: Ölige Oberflächen sollten mit Seifenwasser gereinigt werden. Um den natürlichen Lebenszyklus der Möbel zu erhalten, empfehlen wir eine Öl-Nachbehandlung von Möbelstücken 1 bis 2 Mal pro Jahr empfehlenswert. Das farblose Öl für die Nachbehandlung der Möbel kann in Ihrem Möbelgeschäft gekauft werden.

(F): CONSEILS 'ENTRETIEN':

Votre lit doit être vérifié périodiquement afin de resserrer les vis.
NETTOYAGE:
 LAQUE: Les surfaces bois, laquées, peintes et laminés peuvent être essuyées avec un chiffon et un savon doux. HUILE: Des surfaces huilées peuvent être nettoyées avec l'eau savonneuse. Pour maintenir l'aspect naturel du bois/pour vous recommandons une huile incolore d'entretien 1-2 fois par an. L'huile naturelle sans colorant peut être achetée dans votre magasin de meubles.
