

SteelSeries QcK Prism Cloth - XL

Produktbezeichnung	SteelSeries QcK Prism Cloth - XL		
Beschreibung	The QcK Prism gaming mousepad combines the legendary QcK micro-woven cloth found in the world's best-selling mousepad with dynamic 2-zone RGB illumination and real-time event lighting notifications. SteelSeries Engine software unlocks an impressive arsenal of Engine Apps that make customization easy and intuitive.		
Besonderheiten	Legendary Micro-Woven Cloth: With over 10 million sold, the SteelSeries QcK is the pinnacle of surface performance and innovation. The QcK Prism features the same legendary surface, now with 2-Zone RGB lighting. Rev Up the Engine: SteelSeries Engine software unlocks an impressive arsenal of Engine Apps that make customization easy and intuitive. Unleash the full power of dynamic 2-zone RGB backlighting to create complex lighting effects in seconds. Discord Chat Integration: Light up your mouse pad with customizable Discord chat notifications that indicate new messages, mute status and more. PrismSync Engine App: Sync dynamic multi-color lighting effects between all your SteelSeries Prism-enabled gear. From one-click lighting effects to complex light shows, PrismSync gives you power to level-up the style of your setup. Pinpoint Mouse Accuracy: Tested by the top mouse sensor manufacturer, the high thread count and smooth surface optimizes mouse tracking accuracy for both optical and laser sensors. Never-Slip Base: The durable, non-slip rubber base is designed to eliminate unwanted movement and provide a solid platform for competitive gaming. Legendary Esports Status: For the past 15 years Esports stars have picked the SteelSeries QcK as their mouse pad of choice. Esports athletes have won more prize money using SteelSeries products than any other brand.
