Slim Design

Ultra slim portable charger with 10000mAh External Battery

Slim Size, Big Power

One of the slimmest and lightest 10000 mAh portable chargers on the market.

Versatile Charging

Anker's exclusive PowerIQ and VoltageBoost technology combine to deliver the fastest possible charge for any devices.

Certified Safe

MultiProtect is Anker's 11-point safety system, providing superior protection for you and your devices.

Quality Throughout

With a sleek fabric exterior and cool-blue LED light to report battery level, PowerCore Metro 10000 is premium both inside and out.

Capacity (mAh)	Output Ports	Output Power	Input Ports	Input Power	MSRP
10000	2 USB-A	12W	1 USB-C	10W
