WHAT'S INCLUDED

FEATURES + BENEFITS

Revolutionary Processor

Faster. Smoother. Better. The powerful new GP2 engine changes the game—snappy performance, responsive touch controls and double the frame rate¹ for amazingly smooth footage. Designed specifically for the demanding nature of the GoPro, the GP2 “system on a chip” is by far our fastest ever.

High-Res Photos + Videos, High Frame Rate

Step up to the sharpest-shooting GoPro ever. Upgraded to incredible 23MP photos and 5.3K video resolution at 60fps, HERO10 Black offers double the frame rate¹ for amazingly smooth motion. Plus, there's 8x slo-mo at 2.7K and you can pause videos and grab 15.8MP still photos from 5.3K video that look amazing.

Unbelievable Image Quality

Capture jaw-dropping 5.3K video with 91% more resolution than 4K and an incredible 665% more than 1080p. HERO10 Black captures finer detail, more realistic textures and better contrast than any HERO camera before it—even in low light. A new water-shedding hydrophobic lens cover that repels water and helps eliminate lens flare and other artifacts makes your photos and videos even more stunning.

HyperSmooth 4.0

HyperSmooth has never been smoother, and it's easy to dial in the best stabilization at all times. Plus, get even better low-light performance and horizon leveling with a higher tilt limit, so your footage looks perfectly straight when you want it.

Fast, Reliable Connectivity

Super easy, super fast. Transferring photos and videos from your cloud-connected GoPro to your phone is simple and versatile, with your choice of effortless wireless upload via the Quik app or a lightning-fast wired connection via USB.² There's also unlimited cloud storage with hassle-

free auto upload. Just plug in your camera when connected to your home Wi-Fi and the camera does the rest.³

New Front Screen + Performance Enhancements

Framing your shots for vlogging and selfies is better than ever with a high-quality front LCD screen with a smoother frame rate and crisp detail. Touch controls are snappy too, so the shutter is more responsive. Live streaming with HERO10 Black looks better than ever, and webcam functions are easy and seamless.

Rugged and Waterproof to 33ft

Completely waterproof and tougher than ever, HERO10 Black is versatile enough for any adventure. Its rugged build quality can take a beating and keep going, whether you're ripping through mud, snow or water (to depths of 33ft). The durable and scratch-resistant lens cover adds even more protection, and can be easily replaced if needed.

Long-Lasting Battery

A large-capacity, 1720mAh lithium-ion rechargeable battery provides tons of juice, so you can spend more time shooting and less time swapping batteries.

Max Lens Mod Compatibility

Pop on Max Lens Mod (sold separately) for the widest-ever field of view on a HERO camera, an amazing 155°, plus get unbreakable Max HyperSmooth stabilization.

Webcam + Live Streaming

Use your GoPro as the hottest webcam in the game. This versatile functionality carries over to live streaming, where your shots look incredibly stable as you vlog your next activity with buttery HyperSmooth stabilization and sharp resolution.

FEATURES + BENEFITS

Power Tools

Nail the shot the easiest way, with Power Tools like LiveBurst to record 1.5 seconds before and after your shot. And even if you press the shutter too late, HindSight captures up to 30 seconds of footage before you start recording so you never miss a moment. There are also scheduled and duration captures modes, so you can set it and forget it.

Built-in Mounting

Swapping mounts takes just seconds, thanks to built-in folding fingers. No frame needed—just open, connect and go. Better yet, every awesome accessory for HERO9 Black is compatible with HERO10 Black.

Presets

Make things super simple—just pick a Preset for any situation. HERO10 Black comes ready to rock with Standard, Activity and Cinematic modes. You can even create custom presets for quick access to your favorite settings.

GPS Performance Stickers

Turn on this feature and get real-time animated overlays that display your speed, altitude, track position and G-forces. It's a visual way to show off your stats and give your videos a professional vibe.

MOUNTS + ACCESSORIES

Shorty (Mini Extension Pole + Tripod)

Shorty's compact design makes it ideal to take along for just about any casual activity. Toss it in your pocket on your way out the door, and you'll have the perfect little partner to position your camera and get the best shot.

Magnetic Swivel Clip

Clip your GoPro to your backpack strap or gear, or use the magnet and stick it to metal surfaces.⁴ The 360-swivel feature helps you keep things level, and the clip makes a great kickstand.

Spare Rechargeable Battery

With a spare rechargeable battery, you'll always be powered up to nail the shot.

Camera Case

Comes in a convenient hardshell case.
