Væltsekring
Anti-topple-bracket
Kippschutz - Tippsäkring
Dispositif anti-basculé

x1

x2

x1

Vigtig information om sikring af moduler til væg:

Læs venligst denne information før du begynder samlearbejdet.
Væltsekningen leveres sammen med grundmodulet.

Når alle moduler er samlet skal de fastføres til væg for herved at sikre mod væltning.
Væltsekningen midterplaceres ud fra den totale bredde på de opstillede moduler. Se eksempel på næste side.

(Gem denne vejledning - den medleveres kun i grundmodulet).

Important information: securing to the wall.

Please read this information before assembling.
The anti-topple-bracket is delivered together with the basic unit.

After finishing mounting the book case shelving system you have to attach the book case to the wall to avoid overturn.
The anti-topple-bracket should be mounted in the middle of the total width of the book case. See example on the next page.

(Please save this instruction - it is only delivered together with the basic unit)

Wichtige Informationen: Befestigung an der Wand.

Bitte diese Instruktion vor Montierung lesen.
Der Kippschutz wird zusammen mit dem Grundelement geliefert.

Nach Montierung von alle den Elementen, sollen Sie der Regal zur der Wand befestigen;
um Umkippen zu vermeiden.
Der Kippschutz soll in der Mitte des Regals montiert werden - bitte nächste Seite sehen.

(Speichern Sie diese Anleitung - es wird nur mit dem Grundelement geliefert).

Information importante concernant montage du anti-basculé:

Merci de lire cette information avant que vous commencez le montage.
Le dispositif anti-basculé est livré avec le module de base.
Quand tous les modules sont montés, il faut les fixer au mur. Ainsi vous évitez qu'il ne se renverse.
Le dispositif anti-basculé est monté au milieu de l'ensemble de votre bibliothèque.
Voyez l'exemple à la page prochaine.

(Garder cette instruction - elle n'est que livrer avec le module de base)

Viktig information om väggsäkning av stommar till vägg:

Vänligen läs denna information innan du börjar montera.
Tippsäkningen levereras tillsammans med stommen.

När alla stommar är monterade och färdiga skall de fästas vid en vägg för att minimera risken för att de tippar. Tippsäkningen placeras i mitten av den totala bredden på stommen.
Se exempel på nästa sida.

(Spara bruksanvisningen - den levereras endast till stommen)

VIGTIGT! Skruen som følger med væltesikringen er kun til at fæstne væltesikringen i møblet. Du skal derfor supplere med en skrue eller et beslag som passer til det materiale din væg er lavet af. Hvis du er usikker så kontakt din lokale fagmand.

IMPORTANT. The screw supplied together with the anti-topple bracket is to be used only for fixing the anti-topple bracket to the furniture. In addition to this, you will need to choose a screw or fitting which is suitable for securing the bracket to the kind of walls you have. If you are unsure about what type of screw to use please contact your local hardware store.

WICHTIG. Die dem Kippschutz beigelegten Schrauben sind ausschliesslich für die Befestigung des Kippschutzes am Möbelstück vorgesehen. Für die Befestigung des Kippschutzes an der Wand benötigen Sie zusätzlich Schrauben oder Beschläge, die zur Beschaffenheit der Wand passen. Falls Sie nicht sicher sind, welche Art von Schrauben geeignet sind, wenden Sie sich bitte an den Fachhandel.

IMPORTANT! La vis qui est livré avec le dispositif anti-bascule est seulement pour fixer le dispositif sur le meuble. Il faut que vous complétez avec une vis ou une garniture pour votre mur. Le type de fixation dépend du matériau de vos murs. Si vous etez douteux, nous vous prions de contacter votre centre de bricolage local.

VIKTIGT. Skruven som medföljer tipsäkringen är avsedd till att fästa tipsäkringen i möbelen. Du skall själv komplettera med ett beslag som skall fästas i väggen som passar till materialet i din vägg. Är du osäker rekommenderar vi att du kontaktar en expert/hantverkare eller liknande.

Viktig information om samling:

Læs venligst denne samlevejledning grundigt før du starter.

Emnerne placeres med forkanten ned mod gulv på et TÆPPE. Se billederne på de efterfølgende sider. Ved opbygning af flere moduler, er siderne fra grundmodulet altid afslutning i begge sider af reolen.

Important information regarding assembling:

Before starting the assembly please read this instruction in detail.

Place the front of the units on the floor on a BLANKET. See the pictures on the following pages. When building a wall consisting of several units always use sidepanels from basic unit as closing panels in both side of the wall unit.

Wichtig: Montage

Bitte diese Anleitung vor Montage lesen.

Legen Sie die Vorderseite der Einheiten auf den Boden auf eine Decke. Bitte den folgenden Seiten anschauen. Bei Anbauen von mehreren Elementen immer den Seiten von der Grundelement als Abschluss in jeden Seiten anwenden.

Information importante concernant le montage:

Nous vous prions de lire cette instruction profondément avant que vous commencez.

Les pieces sont places avec le devant sur un tapis. Voyez les illustrations sur les pages suivantes. Quand vous montez plusieurs modules, les côtés du module de base sont toujours au fin à gauche et au fin à droite de la bibliothèque.

Viktig information om samling:

Läs instruktionerna i bruksanvisningen innan du börjar.

Delarna placeras med den synliga kanten ned mot golvet, på mjukt underlag, exempelvis en matta. Se bilder på sidorna i bruksanvisningen. Vid ihop sättning av flera moduler, är sidorna på grundstommarna alltid avslutande sidor på bokhyllan.
