This diagram illustrates the assembly of the cabinet's front and side panels. The main cabinet frame is shown in a perspective view. The front panel (510) is positioned below the frame, with two large blue arrows indicating its upward movement into place. The side panel (511) is positioned to the left of the frame, with a large blue arrow indicating its rightward movement into place. The diagram shows the internal structure of the cabinet, including the top and bottom rails and the side rails. The front panel (510) is shown with a top rail and a bottom rail, and the side panel (511) is shown with a top rail and a bottom rail. The diagram also shows the internal structure of the cabinet, including the top and bottom rails and the side rails. The front panel (510) is shown with a top rail and a bottom rail, and the side panel (511) is shown with a top rail and a bottom rail.

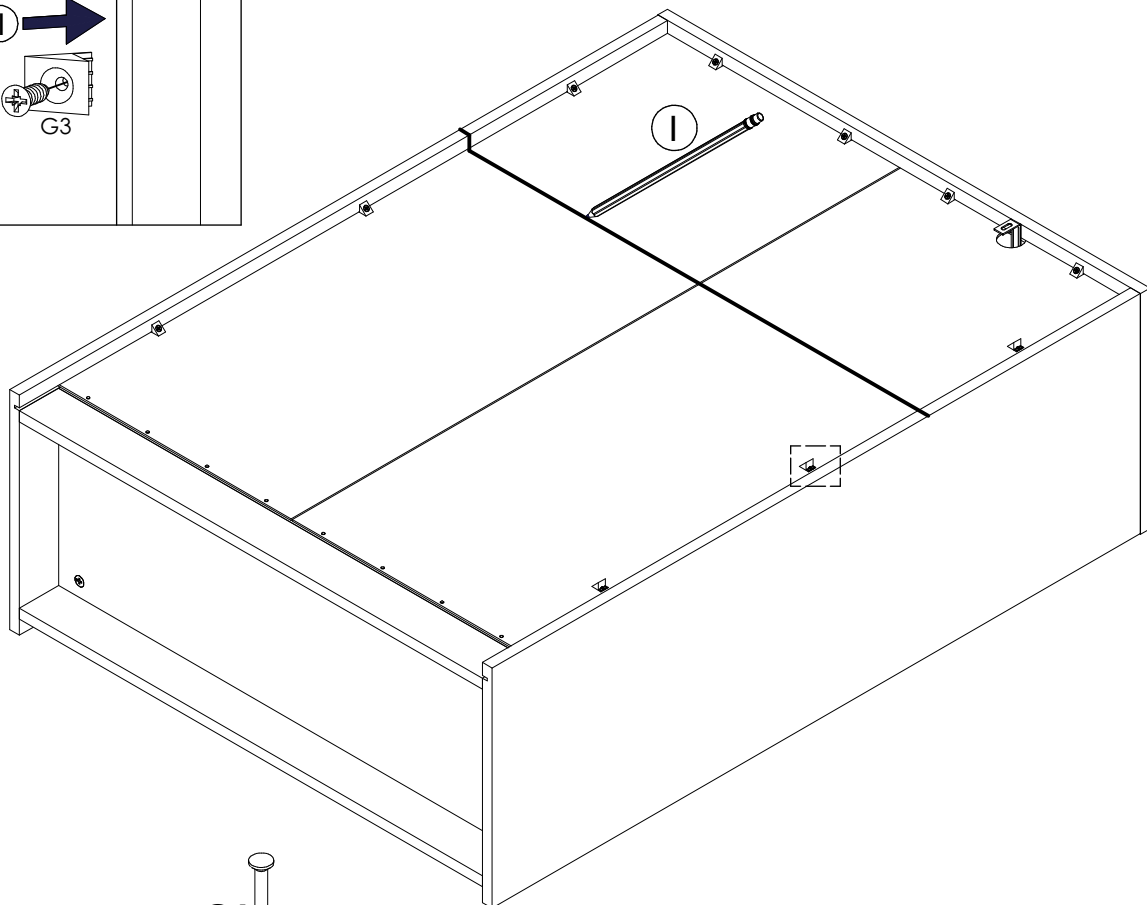

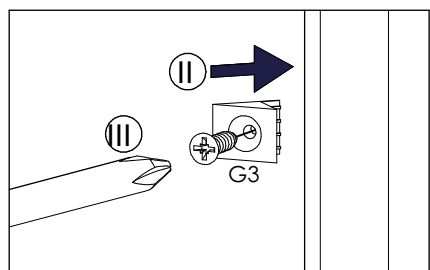

① $YY=XX$

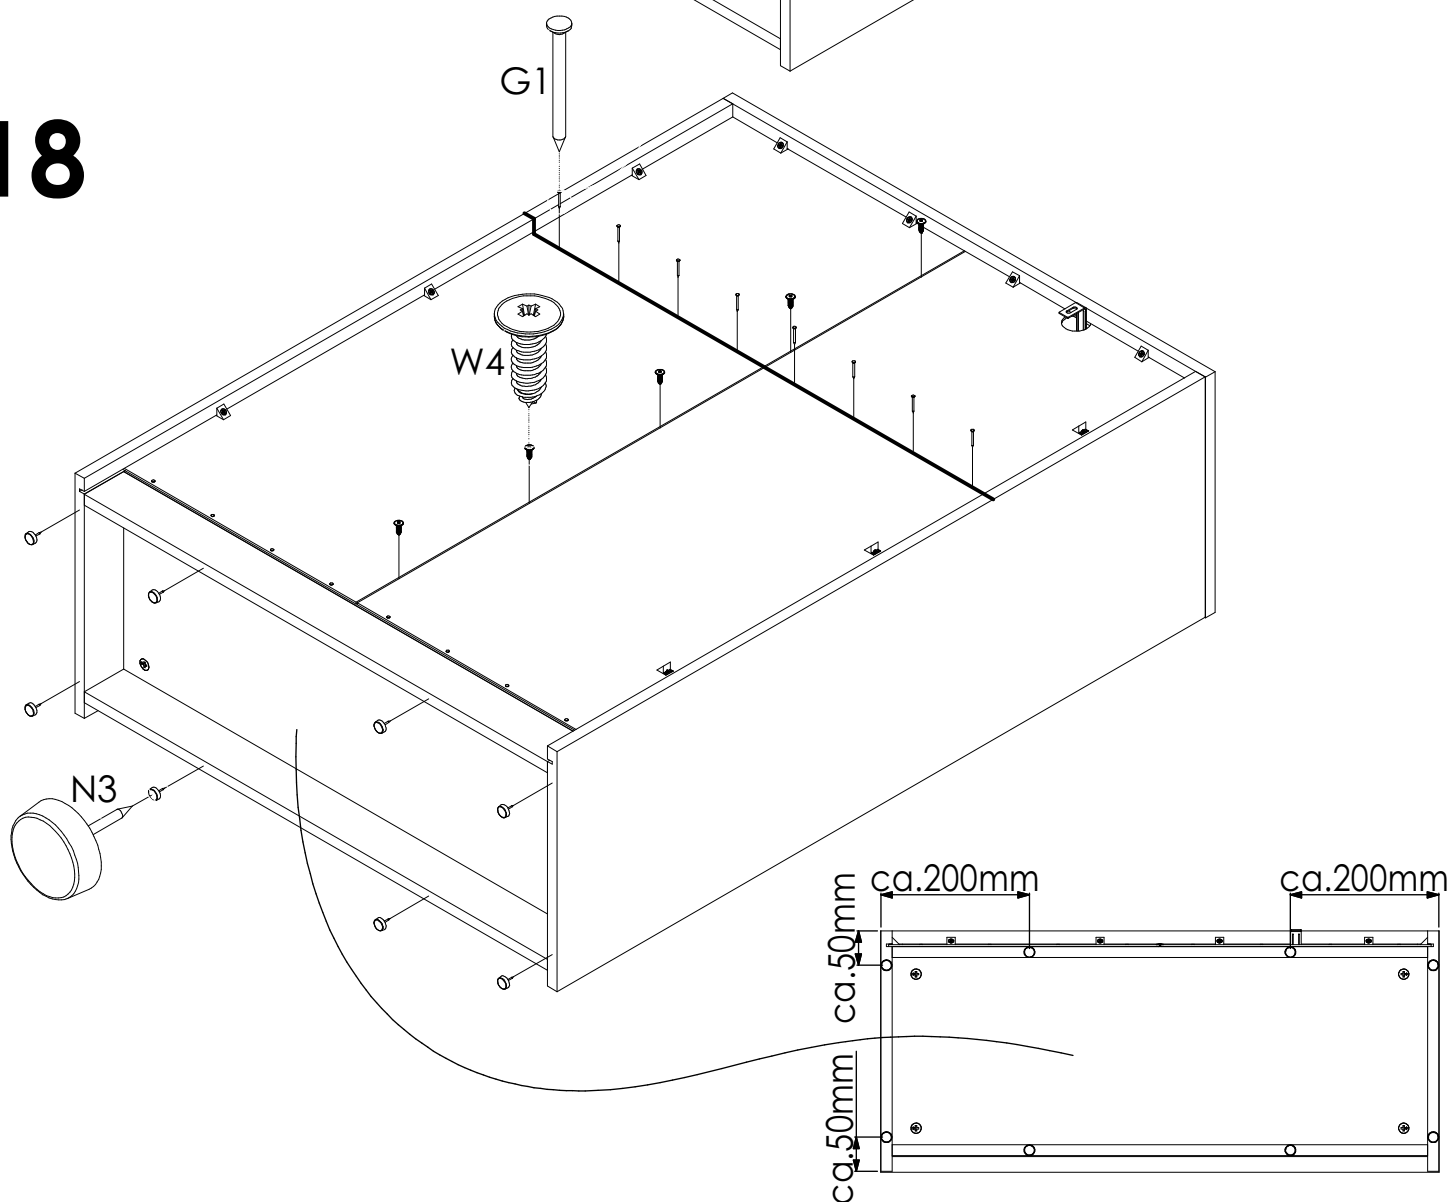

A diagram of a G1 cell. It is represented by a circle containing two vertical parallel lines, which are sister chromatids. Below the circle is the label "G1".
