

HERO 8 BLACK

A tough waterproof design, HyperSmooth video stabilization and intuitive touch-screen controls make the easy-to-use HERO8 Black the perfect intro to GoPro. It delivers 4K60 video and 12MP photos of your adventures and comes with an extra battery, plus a durable housing that gives you extra protection from dirt and flying debris.

WHAT'S INCLUDED

FEATURES + BENEFITS

4K60 + 1080p240 Video

Stunning 4K video resolution, impressive frame rates and super slo-mo combine with HyperSmooth stabilization to help you capture ultra smooth, pro-quality footage.

12MP Photo with SuperPhoto

Capture crisp, pro-quality photos with 12MP clarity. And with SuperPhoto, HERO8 Black can automatically pick all the best image processing for you, so it's super easy to nail the shot.

Rugged + Waterproof

Share experiences you can't capture with your phone. HERO8 Black is rugged, waterproof to 33ft (10m) and down for adventure.

Intuitive Touch Screen

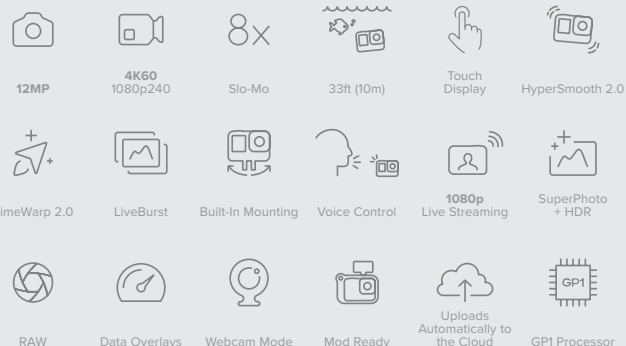

If you have a smartphone, using HERO8 Black will feel familiar. Three main capture modes with streamlined settings make navigating easy.

HyperSmooth 2.0 Video Stabilization

HERO8 Black has three levels of stabilization—On, High and Boost—so you can pick the best option for your shot. Choose wide view with less stabilization or crop in and boost the stabilization when things get extra bumpy.

TimeWarp 2.0

Capture super stabilized time lapse videos while you move through an activity. Choose the speed yourself or let TimeWarp automatically adjust the speed based on motion, scene detection and lighting. You can even slow down the effect to real time—savoring interesting moments—and then tap to speed it back up.

Presets

HERO8 Black comes preloaded with recommended video presets for Standard, Activity, Cinematic and Slo-Mo shots. You can even create custom presets for quick access to your favorite settings.

Auto Upload Your Footage to the Cloud While Charging

Offload photos and videos from HERO8 Black and save them to the cloud at 100% quality—automatically. Just plug in your camera when connected to your home Wi-Fi and the camera does the rest.¹

Expandable Mods System

Vloggers, pro filmmakers and aspiring creators can customize their setup with HERO8 Black mods.² Media Mod features a built-in directional mic and lets you attach Light Mod and Display Mod to up your capture game.

Live Streaming in 1080p

Share while you're there. Live stream in 1080p on social, get HyperSmooth stabilization as you broadcast via the GoPro Quik app and save footage to your SD card to check out later.

Includes a Protective Housing

This durable housing protects your GoPro from mud, dirt and debris during extreme activities. It's also waterproof down to 196ft (60m)—perfect for deep-water diving.
